

Dear Friends:

You are invited to submit nominations for the 2010 Needham Parent Award,

to be presented at the 2010 Needham Spring Fling/March Merryness Tournament. Nominees should have exhibited dedicated service to the forensics art. Without the support of parents, our activity may not only be a poorer one, it may not exist at all. While coaching students may be a part of the service, this award is not intended to be exclusively, or even primarily, a coaching award. Judging, tournament administration, fundraising, etc, and other areas may be areas of great help.

Please submit a supporting letter for any nominee to me by February 21st.

Thank you for your support

PJ Wexler
